

DentaQuest

Select Value

Welcome to the Select Value Dental and Vision Plan!

For over 30 years, DentaQuest has provided quality plans at affordable prices, with a focus on flexibility, ease of use and outstanding customer service. Our mission is to deliver value to our customers by offering plans that are second to none and that improve the overall health of our members.

The Select Value Plan is a discount plan designed to help you save on *both* dental and vision care. You experience the same incredible value and quality dental care as you expect from DentaQuest, and you'll have access to great discounts on vision care through our partner, Avesis. Avesis has offered one of the best values in vision benefits for the past 27 years.

The Select Value Plan is not insurance. Rather, the plan provides members with discounted services through participating providers. Members are required to pay for all services and products at the time of service; simply present your Member ID card to a participating provider to receive instant discounts on both dental and vision care.

Enjoy Great Dental Services

The Select Value Plan provides you with incredible savings on all types of dental services. There are no deductibles or pre-authorizations required, and no maximum level of discounts per year or lifetime. As a member of the Select Value Plan you are entitled to discounts on:

- Diagnostic and preventive care, such as exams, cleanings and X rays
- Restorative services, such as fillings and extractions
- Complex dental work, such as crowns, dentures, bridges and surgical procedures
- Orthodontic treatment
- Cosmetic procedures

DentaQuest offers a network of over 1,400 participating general dentists and specialists who are committed to quality patient care and helping patients achieve optimum oral health. You can visit any participating dentist you choose, and can change your dentist at any time. To choose a dentist who is best for you, visit our Web site, www.dentaquestdental.com, or contact Customer Service at 1-800-334-6277.

Take Advantage of Great Vision Services

The importance of healthy vision is often taken for granted, and many do not receive annual eye examinations—an essential step to maintaining healthy eyes. The Select Value Plan includes a vision care program that provides members with access to savings on professional vision examinations and optical materials at any participating Avesis provider location. Avesis gives you access to one of the most comprehensive vision networks in the nation—with 18,000 optometrists, ophthalmologists and vision retail centers at 12,000 locations nationally. Members are responsible for payment at the time of service; simply present your Member ID card to any Avesis participating provider to receive your discount. No claim submissions, vouchers or pre-authorizations are required. You will receive discounts on:

- Regular eye examinations
- Frames and lenses
- Contact lenses

You can locate a vision care provider by visiting the Avesis Web site at www.avesis.com or by calling Avesis Customer Service at 1-800-828-9341.

ADDITIONAL PROVISIONS

1. Procedures not listed in the full fee schedule are provided at a 20% reduction of the Participating General Dentist's or Specialist's usual and customary fees. This includes (but is not limited to) implant services and TMJ treatment.
2. Members may be charged \$7 per office visit by the Participating General Dentist or Specialist for the cost of compliance with OSHA guidelines. This fee also applies to No Charge (N/C) visits.
3. Services provided by a Participating Pediatric Dentist or a Participating Prosthodontist are covered at a 20% reduction of the Participating Specialist's usual and customary fees.
4. Members may be charged a BROKEN APPOINTMENT FEE of \$15 per half hour when less than 24 hours notice is provided to the Participating Dentist.
5. A PROPHYLAXIS (ADA Code D1110) performed at a three- or four-month maintenance interval is provided at a 20% reduction of the Participating Dentist's usual and customary fee. A PERIODIC ORAL EVALUATION (ADA D0120) is provided at the member fee listed on the fee schedule.
6. A FULL-MOUTH DEBRIDEMENT (ADA Code D4355) is chargeable when calculus obstructs the ability to perform a comprehensive periodontal evaluation and diagnosis and it is performed as a preliminary procedure.
7. Recognized and accepted ADA procedure codes must be used when reporting treatment and assessing member fees. Use of alternative or new materials must correspond to a recognized ADA procedure code.
8. Coordination of Benefits: If total reimbursement from other plans is equal to, or in excess of, the member fee, the member fee is considered satisfied. If total reimbursement from other plans is less than the member fee, the patient is responsible for paying the difference up to the member fee.
